

WHY YOU NEED A PREVENTATIVE ROOF MAINTENANCE PLAN

FACT #1: REGULAR PREVENTATIVE ROOF MAINTENANCE ADDS YEARS TO THE LIFE OF YOUR ROOF SYSTEM WHILE ENSURING TOP PERFORMANCE.

Less than 1% of roof failure is caused by defective roofing materials; leaving poor installation, severe weather, and lack of maintenance to blame.

Studies have shown that proactively maintained roofs last up to 60% longer than reactively maintained roofs.

When a roof system is maintained properly it performs better, lasts longer, and provides more reliable protection of a building and its contents.

FACT #2: REGULAR ROOF MAINTENANCE HELPS LOCATE MINOR ROOFING ISSUES EARLY BEFORE THEY BECOME MAJOR PROBLEMS.

Regular roof inspections help to locate minor problems before they become major headaches. Finding a repairing roof issues can help avoid moisture infiltration into the building damaging insulation, decking and possibly stock.
